

YELLOW WOOD FARMS

LOCAL FOOD SUBSCRIPTION (CSA)

Tricia & Scott Wagner manage Yellow Wood Farms with their sons Henry, 12, and Oliver, 4 outside Hermann, MO. We raise approximately 23 acres of vegetables, berries, and fruit trees. In addition, we operate a commercial processing kitchen in Hermann and the Family Harvest Mercantile in Kirkwood.

Yellow Wood strives to provide a wide range of local foods to protect our CSA members from serious crop problems. We therefore enjoy working with other sustainable farmers who are also our family, friends & neighbors.

At Yellow Wood we are committed to growing the highest quality fresh produce using environmentally friendly and socially responsible practices.
